RE: Application for Full Accreditation of Edward Tusamba Moises

Drear Recognition and Accreditation Program Coordinator:

I am pleased to write this letter of recommendation for full accreditation of Edward Tusamba Moises. I am an immigration attorney with 15 years of experience practicing immigration law at the Ivylaw Law Firm located at Greenbelt, Maryland. My practice focuses on asylum, family-based immigration, deportation, removal hearings, VAWA, and Waiver.

Mr. Moises is a colleague graduated from Beasley School of Law at Temple University, colleague at the American Association of Immigration Lawyers, and colleague at the American Bar Association. As an immigration attorney, I have known Mr. Moises since 2004 at the Law Firm of Ngwana where I had the opportunity to mentor him in a wide range of immigration cases. I worked with him and accompanied me to the immigration courts on a regular basis to observe proceedings, including master calendar hearings and individual case hearings. Under my supervision, he has also gained significant experience in legal research, writing, and preparing client for court hearings. His writing experience includes preparing pleadings, declarations, and motions for court cases. I have personally observed Mr. Moises' attention to detail and always reviewed thorough, quality declarations that he has prepared for clients. He has a keen ability to tackle in on relevant facts and identify potential legal issues. Mr. Moises has an excellent ability to communicate in a persuasive and effective manner, both verbally and in writing.

I believe that Mr. Moises has the character and fitness to represent clients. He is an excellent immigration worker and is well-respected in the community. There is no doubt in my mind that Mr. Moises has the necessary training, litigation skill, and experience to warrant full accreditation from the Department of Justice. There is a great need for quality legal services in our local area, especially representation before Immigration Court, due to the large population of immigrants and the shortage of immigration legal service providers. Mr. Moises' full accreditation with Orpe Human Rights Advocates will allow the organization to help meet that need.

I am available to support the Orpe Human Rights Advocates office located at 6701 Baymeadow Dr. Suite B, Glen Burnie, MD 21060 and Mr. Moises on Immigration questions and strategy. I am available in person, by phone, or by e-mail on a pro bono basis.

I strongly recommend him for full accreditation from the Department of Justice.

Please contact me at 301-276-0887 or e-mail at wilberforce@ivylawoffice.com if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to be 'W. Agyekum', with a long horizontal flourish extending to the right.
